

Introduction

Narrow gate Company Ltd is a Prominent South Sudan based Customs Clearing and Freight Forwarding (C&F) Company, fully accredited and distinguished organization registered by the Registrar of Companies under the Laws of South Sudan vide certification of tax Registration number of 100-103-958 dealing with Airport custom clearance, airport import services, airport export services and Land Custom Services.

In 2004, Mr. Mawa Joel Aligo the proprietor of the company took a decision to start this initiative having had two years experience in clearing and forwarding under the employment of Civicon international Co. Ltd who recommended him for good work and gave him a way forward to opening a clearing and forwarding Limited Company.

The company was officially recognized in January 1st 2006 as a clearing and forwarding Company and was passed out to begin work in April 4th 2006 by the Ministry of Finance and economic planning, department of customs, government of south Sudan. April 4th, 2007, the Ministry of Legal Affairs and Constitutional Development officially registered the company under the new Sudan Company's act 2003.

Other certifications are by the Ministry of Justice Reg. Number 866, South Sudan Chamber of Commerce, Industry and Agriculture Reg. Number 024808, Ministry of Finance & Economic planning National Directorate of Taxation Clearance Certificate No. 00918334 and South Sudan Customs Services Reg. No. 039 and Ministry of Interior General Directorate of C.I.D & Crimes.

We are very proud and have great pleasure in introducing ourselves as one of the leading Customs House agent of Juba International Airport, Entebbe International Airport (Affiliated with Gach Service Ltd), Nimule boarder via road and East African Customs Boarders via road (Mombasa, Malaba, Elegu, etc).

We have expertized ourselves in solving your most demanding logistic challenges whether it's importing specialized project equipment, large scale heavy equipment or providing specialized services to remote areas. We ensure your specialized project cargo reaches its destination safely and securely in any part of South Sudan & East Africa at large. We believe in providing the best professional C&F services to the clients in all respect. Our wealth of experience and know-how enable us to offer truly recommendable services for the clients.

At Narrow gate Company Ltd, our goal is simple: to build our organization on reliability, cost effectiveness and a solid relationship with our clients. Our pledge is to provide quality and satisfactory services, day after day to our clients. Our qualified team of technically qualified personnel in Clearing and Forwarding consistently provide services that will exceed our clients' expectations.

We specialize in providing the most convenient, reliable, timely and accurate customs clearance and freight forwarding facilities to our valued clients. To ensure that, we instigate a full proof process in carrying out our services throughout (from pre-arranged release to speed delivery of goods) so that there is no delay or hindrance at any step at all. The terms like unique and trustworthy appear out to be most appropriate if one strives to look for the words to illustrate the quality of Customs.

CLEARING AND FREIGHT FORWARDING SERVICES OFFERED BY US.

Our characteristically qualified team members are capable of undertaking the customs clearance and freight forwarding procedure and follow-up of documentation for exempted cargo for you with ease while appropriately utilizing individual expertise.

These groups of authorities in our company are highly trained experts in the custom clearance and freight forwarding area and are also placed in all major entry points or airports for the consignments coming from air or land routes. They know about all the documentations and other formalities highly required in taking care of the goods at the time of customs clearance & freight forwarding. You do not have to worry about the cargo at all, as it is in safe and secure hands all the time.

It is the extent of services provided by us owing to which we have always been receiving the best possible remarks from our clients in the country as well as in the international arena. Once associated; clients have always been consistent with us which reflects our sincerity and professionalism.

Our Mission Statement

"To constantly exceed customer expectations by providing superior freight forwarding and clearing solutions including air, land and customs brokerage and logistics services".

We make this possible by recognizing that no two customers are alike, therefore forming a symbiotic relationship and fulfilling individual needs. This unique perspective coupled with a global network designed to support regional distribution and supply chain management, and a well-developed network enables our company to tailor resources to meet individual requirements.

We approach every need of our customer with utmost flexibility because we concentrate not on the processes but the end result - proper delivery of your valued assets.

Our Vision Statement

"To offer convenient, efficient, and cost effective services in the import and export sector. Our aim is to provide high quality and competitive services so as to not only meet but all times exceed our client expectations". By providing total solutions to our customers ensuring stake holder's interests are best in the industry by offering specialized clearing and forwarding solutions that encompass high quality and competitive services. We would also like to be the market leader and trend setter in South Sudan.

Objectives

- To contribute to the development of South Sudan as a preferred Clearing and Forwarding hub in terms of cargo supply, export commodities and logistics services.
- To also contribute towards the global environmental improvement through planting of trees in the areas of South Sudan like Yei state central equatorial region.
- To also contribute to the fight against illiteracy by providing affordable education to the young generation of South Sudan. This is going to be achieved through construction of schools for example the existing one in Yei State called Narrow Gate School.

Our Company is committed towards the realization and sustenance of the following values;

● CUSTOMER ORIENTATION

Our company tailors its services to fully cater for our customers specific needs. By fully understanding our customers' requirements we are able to provide creative solutions for them while fully making sure our clients understand the processes involved in the clearing and forwarding business.

● PARTNERSHIP

We work hand in hand with our customers, to be able to respond to their needs in real time and to offer them a more than satisfactory service.

● SERVICE PERSONNEL

We recruit the cream of the crop in terms of service personnel. The abundance of talent among our staff as well as their wealth of experience ensures that we can offer unprecedented standards of service delivery.

● STAFF

As mentioned earlier, we put a lot of emphasis on the selection, recruitment and training & retention of our staff. We endeavor to be the leading service provider in this industry and as such we must have the best personnel to achieve this.

Key services that we are proud to offer inter-alia include: We have in-depth knowledge of South Sudan and regional clearance regulations and procedures. The import customs clearance service and export customs clearance service

● QUALITY MANAGEMENT

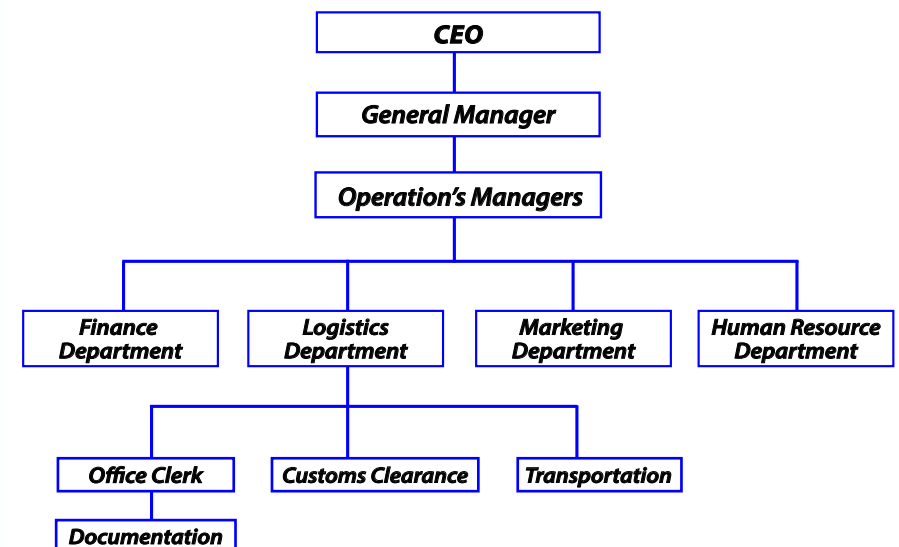

Quality is the responsibility of every employee and must be developed and maintained to ensure a successful business venture. Narrow Gate Company Ltd, Clearing and Forwarding is committed to a policy of continual training and educational programs for all employees. The objective is to build a meaningful and widespread employee involvement, teamwork, and personal satisfaction that result in a cooperative effort that produces a quality services or products within the framework of the competitive business market.
